Handy Shopper for Nokia 7650 is a shopping tool that is perfect for keeping lists of groceries to buy. The program has simple, intuitive interface, which makes Handy Shopper easy and comfortable to use.

With Handy Shopper you will buy exactly what you want to buy and won't forget anything.

Usage: Go to the "All" tab and mark items that you need to buy. They are organized by categories. Then go to the "Need" tab and see your shopping list:

Now go to shop and buy the items from the list. Mark purchased items - they will move to the bottom of the list or disappear (define this in Settings).

You can easily create your own product categories and items. You can quickly calculate the total price and count of your purchases.

Desktop PC client is specially designed for synchronization of information on your Nokia 7650 and on your PC. With Desktop PC client you can easily access your Nokia 7650 information on PC.

Note: The feature is not available at the moment. It will be available as a separate product in a few weeks.

DETAILS:

Version: 1.5

Supported languages: English, German, French, Italian.

Cannot find your language in the list? Help us with translating our software into your native language and get it for free. No special knowledge is required. You will need to translate only few text strings. If you are interested, please write to info@epocware.com.
